1. REGULATORY LEGISLATION

- Ministerial Decree 270/2004 (Legislation concerning the didactic autonomy of universities) and relative implementation decrees;
- Ministerial Decree dated 16 March 2007 (Definition of Masters degree courses);
- Procedures for admission, residence and enrolment of overseas students on higher-level educational courses in Italy for the 2017-2018 academic year, published on 28/02/2017.

2. EDUCATIONAL OFFER

The Department of Business and Economics will activate, in the academic year 2017-2018, a Masters degree course in INTERNATIONAL BUSINESS AND ENTREPRENEURSHIP, class LM-77 (in English).

A Masters degree is a second-cycle university course that aims to provide advanced teaching for the practice of specialised activities in specific fields. For more information, consult the following webpage: [http://mibe.unipv.it](http://mibe.unipv.it)

The academic authorities, in compliance with that outlined in Art.2, para 1, lett.a) of L.264/1999, determined in a debate in the Academic Senate on 21 April 2017 the following bands for admission:

- 70 places for EU and non-EU students legally resident in Italy pursuant to L.189/2002, art. 26; citizens of Norway, Iceland, Lichtenstein, Switzerland and San Marino are to be treated in the same way as EU citizens;
- 19 places for non-EU students resident abroad;
- 1 place for a Marco Polo programme student.

3. ADMISSION REQUIREMENTS

In order to evaluate students’ curricula and to assess their preparedness, the Department of Business and Economics will nominate a commission to verify that students are suitable for admission. Access to the Masters course in 'International Business and Entrepreneurship' is dependent on the possession of:

a) a degree (academic regulations prior to Ministerial Decree 509/99 or under new academic regulations, Ministerial Decree 509/99 or Ministerial Decree 270/04) or a qualification awarded abroad and recognised as suitable or a three-year university diploma.
PLEASE NOTE: access to the Masters degree course is also extended to those about to be awarded a suitable qualification (must be awarded by 31 October 2017) and who, by the deadline for the presentation of the admission application (21 June 2017), have at least 120 university credits (CFUs), including those that satisfy the minimum curricular requirements;

b) the curricular requirements listed in para. 4;

c) adequate personal preparation/knowledge, to be assessed at a ‘admission test’ and from students’ curricula (see para. 5)

Details of the admission methods are outlined in paragraphs 4, 5 and 6.

Attachment A details all the dates and deadlines of the admission procedure for the 2017-2018 academic year.

4. CURRICULAR REQUIREMENTS

Enrolment is dependent on the possession of the following minimum curricular requirements:

- at least 24 CFUs in one or more of the following Scientific-Disciplinary Sectors (SSD) in the business area: SECS-P/07; SECS-P/08; SECS-P/09; SECS-P/10; SECS-P/11; SECS-P/13;
- at least 12 CFUs in one or more of the following SSDs in the economics area: SECS-P/01; SECS-P/02; SECS-P/03; SECS-P/04; SECS-P/06; SECS-P/12;
- at least 12 CFUs in one or more of the following SSDs in the statistics-mathematics-econometrics area: SECS-P/05; SECS-S/01; SECS-S/02; SECS-S/03; SECS-S/06; MAT/01; MAT/02; MAT/03; MAT/04; MAT/05; MAT/06; MAT/07; MAT/08; MAT/09;
- at least 5 English language CFUs.

These credits must be officially registered by the call for applications deadline (21 June 2017).

If the minimum curricular requirements related to the knowledge of English language are not satisfied, international certificates are considered the equivalent of 5 CFUs if they attest a knowledge of the English language that is equal to, or superior to, B2 level on the Common European Framework (First Certificate in English) for listening, oral skills and reading. An international TOEFL iBT Total certificate equal to, or superior to, B2 level (87-109), is considered as B2 level on the Common European Framework.

In order to request a valuation of an international certificate (in cases where 5 English language CFUs are not held), candidates should write to mibe@unipv.it, attaching a copy of the certificate awarded. A degree of tolerance, regarding the satisfaction of the minimum curricular requirements – up to 10% or 6 CFUs - is admitted. This degree of tolerance may be applied indifferently to one or more groups of SSDs referred to above, except that related to English, where minimum requirements must be respected.

5. ADMISSION AND SELECTION CRITERIA OF EU STUDENTS AND NON-EU STUDENTS LEGALLY RESIDENT IN ITALY

5.1 Admission and selection criteria

Enrolment for EU students and non-EU students legally resident in Italy (see also para. 2) is based on a points-based ranking list that takes into account:

a) the student’s curriculum, according to the criteria detailed in paragraph 5.2;

b) the results of a written test (see paragraph 5.3).

Each candidate’s position on the ranking list is determined by totalling the points awarded for the curriculum vitae (a) to the points obtained in the written test (b). The attainment of a minimum pass mark for admission is foreseen (see paragraphs 5.3 and 5.7). If two or more students have the same mark, places will be awarded to candidates who completed the admission test registration first (see paragraph Enrolment procedure for EU students and non-EU students legally resident in Italy).
It should be recalled that providing false information and the production and use of false documentation will lead to criminal proceedings and administrative sanctions. The candidate will also be barred from the MIBE degree course.

5.2. Students’ curriculum of studies

In order to calculate the points score for the curriculum of studies, each student must complete an online procedure in addition to the registration on the University of Pavia portal cited in paragraph 5.4. To complete the procedure, candidates should click on the following link to the MIBE website: http://mibe.unipv.it/how-to-apply/application/. Candidates who fail to complete this procedure will be excluded from the admission process.

PLEASE NOTE: during the compilation, candidates will be asked to upload self-declarations or certificates (for students enrolled at foreign universities) of the examinations taken (transcripts) during their three-year degree course and issued by their home university. Certificates should report: the examination taken and the relative SSD, the number of CFUs and the mark. The final degree mark will not affect the ranking list position but the weighted average examination mark will be taken into consideration (as reported in the table below).

The points scores that students obtain for the curriculum of studies is reported in the conversion table below:

Regarding three-year degrees or equivalent qualifications awarded in EU countries other than Italy, the commission will convert into points the average examination marks and any eventual *cum laude*. These will be communicated to the student shortly after the application is made.

### 5.3. Written test

The written test is composed of 30 questions divided as follows:

- 18 questions designed to verify students’ general knowledge of themes related to economics and management, with particular attention paid to: company strategy, marketing, company organisation, IT and the digital economy, accounting and finance;
- 12 questions based on: mathematics and/or statistics, logic, general knowledge in the economics-political field;

Each question is awarded 1 point; 0.25 points is deducted for each error; 0 points are awarded for each unanswered question.

There is no single reference text concerning the questions designed to assess students’ general understanding of economics and management (block ‘a’).

### 5.4. Enrolment procedure for EU students and non-EU students legally resident in Italy

The written test enrolment application must be made, exclusively in electronic format, in the period from the call for applications publication date to the deadline of **12.00 on 21 June 2017**. In order to complete the written test application, students must:

a) From the [https://studentionline.unipv.it/AddressBook/ABStartProcessoRegAction.do](https://studentionline.unipv.it/AddressBook/ABStartProcessoRegAction.do) webpage; begin by **REGISTERING** and, using the USERNAME and PASSWORD assigned during registration, access the RESERVED AREA, click on the ADMINISTRATION tab and access ADMISSION TEST. **Students who have already registered need only log in using the credentials already in their possession and proceed to the Admission test enrolment procedure.** Disabled students should state, when making an online application, whether they need any support or additional time for the completion of the admission test itself. Once the required information has been entered, students should print:

1. the “admission test application”, provided by the online process, which includes details of the test time and venue as well as the applicants’ personal and educational data. This should be conserved and presented on the day of the admission test;
2. the MAV (Payment against notice) of €33.00 used to make the payment of the “Admission test fee – Masters degree in International Business and Entrepreneurship”. Under no circumstances will fees be reimbursed.

b) Complete their enrolment on the MIBE website [http://mibe.unipv.it/how-to-apply/application/](http://mibe.unipv.it/how-to-apply/application/). Students should complete all fields with the information required by the online procedure (see paragraph 5.2 for details).

**PLEASE NOTE: STUDENTS WHO DO NOT COMPLETE BOTH PROCEDURES, (“A”, “B”), WILL NOT BE ADMITTED TO THE WRITTEN TEST.**

### 5.5. MAV payment methods

The MAV may be paid, commission-free, over the counter at the Banca Popolare Commercio e Industria or over the counter at any other credit institution. Payment may be made using any PagoBANCOMAT debit card at any Bank of the Gruppo Unione di Banche Italiane ATM. ATM operations can be made by entering the MAV identification code and the amount stated on the printed payslip. A receipt will be provided once the transaction has been completed.
Once payment has been made, the University of Pavia will receive the payment in approximately 7/8 working days.

No other forms of payment will be accepted, the only exception being from candidates resident abroad. These applicants should, by 21 June 2017, make a bank transfer to UNIVERSITA’ DEGLI STUDI DI PAVIA – SERVIZIO TESORERIA c/o UBI - Banca Popolare Commercio e Industria IBAN IT 38 H 03111 11300 00000046566, SWIFT: BLOPIT 22776).

It should be noted that any eventual fees related to overseas bank transfers must be borne entirely by the payer. Therefore, for all extra-EU bank transfers, the OUR code should appear in the field concerning fees. This guarantees that the exact amount required will be received. Any eventual fees borne by the University of Pavia must be covered by means of a further payment.

On the day of the test, students should bring:

a) Proof of payment of the “Admission test fee – Masters degree in International Business and Entrepreneurship”

b) The valid identification document used during the admission test registration, pursuant to laws currently in force; non-EU students resident abroad must present a passport bearing a type ‘D’ student entry visa that is valid for more than 90 days) or a residence permit (or receipt issued by the Questura (police headquarters) attesting that a residence permit request has been deposited).

c) The admission test application. On the day of the test, once the candidate’s identity has been confirmed, s/he will be asked to undersign the application form.

The admission test result will be valid only for the 2017/2018 academic year.

5.6. Date, place and time of the admission test

The admission test will be held at 14:00 on 3 July 2017 in Aula E1 of Palazzo San Tommaso, Piazza del Lino 1, Pavia.

During the admission test, candidates are not permitted to keep with them any bags, backpacks, books and notes, paper, mobile telephones or other electronic devices. Candidates must not communicate, orally or in writing, with others except with invigilators or with members of the examination commission. Candidates who do not respect these regulations will be excluded from the admission process.

5.7. Publication of the ranking list

Based on the criteria outlined in sub-paragraphs 5.1, 5.2, 5.3, each candidate is attributed a final points total. Candidates with the highest points in the ranking list – until the pre-established number of admissions is reached (see point 2, pag 1) – and may enrol by and not after 12.00 on 19 July 2017 (for details on the enrolment procedure, see paragraph 7).

Candidates who do not achieve a total score – summing their curriculum vitae and admission test score – of at least 36 points will not be placed on the ranking list. If two or more students have the same mark, places will be awarded to candidates who completed the admission test registration first, in adherence with the methods outlined in paragraph 5.4.

The ranking list will be published on the ‘noticeboard’ tab, found on the homepage of the University’s official website, within 5 days of the admission test and at the following link: http://www.unipv.eu/site/home/articolo13110.html. Candidates may also view their position on the list by logging in to the Reserved Area accessed during the admission test enrolment.

No personal correspondence will be sent and the publication of the ranking list will be considered official correspondence to the interested parties.

Appeals against the measures to approve the ranking list may be made to the regional administrative tribunal (TAR) within 60 days of the list’s publication and extraordinary appeals made to the President of the Republic within 120 days of its publication. Appeals made outside these periods will not be accepted.

Should candidates admitted to the course choose not to enrol, any vacant places will be made available to the candidates next on the ranking list, until the maximum number permitted, and following the methods outlined in the paragraph ‘PROCEDURES AND DEADLINES FOR SUBSTITUTIONS ON THE RANKING LIST’ has been reached.
If, after substitutions, there are still places available, the Commission reserves the right to organise a second admission test. Should this be the case, candidates will be informed via the 'News' section of the MIBE website.

Should candidates encounter any problems, they may send an email to matricole.ecosociogiuridiche@unipv.it. The email must include, in the subject field, the candidate’s name and surname as well as the degree course on which the student intends to enrol.

The Student administration office, once it has received payment of the first instalment and the required documents within the stated deadlines and via the methods illustrated above, will proceed with the enrolment.

The list of enrolled students will be published, and updated daily, at [http://www.unipv.eu/site/home/articolo13110.html](http://www.unipv.eu/site/home/articolo13110.html) from 10 July 2017 on: candidates must check that the enrolment procedure has been successfully completed by consulting the indicated webpage, verifying that their name is present on the list in the 24 hours following the completion of enrolment procedure described above.

Those students who do not appear on the list, despite having completed the steps described above within the deadlines indicated, should email immediately the Economics Student Administration Office at: matricole.ecosociogiuridiche@unipv.it by the peremptory deadline of 21 July.

**PLEASE NOTE:** Candidates who appear on the ranking list will be considered as having withdrawn if they do not enrol via the methods described above by the peremptory deadline of 12.00 on 19 July 2017, as will those who have not informed the Economics Student Administration Office, by the peremptory deadline of 21 July 2017, that their name does not appear on the list of enrolled students published online.

Newly-enrolled students will receive a ‘Welcome’ email that will provide general information and include their university email address. This will be the only channel of correspondence between the University of Pavia and the student. Students should activate their new email address as it will be used for the sending of other credentials to access university online services (e.g. the Reserved Area and wifi). Students already in possession of a University of Pavia email address will maintain it, as well as their normal credentials for accessing the Reserved Area.

**PROCEDURES AND DEADLINES FOR SUBSTITUTIONS ON THE RANKING LIST**

Once the enrolment deadline has passed, the number of course places still available will be verified. This information will be published on 22 July at: [http://www.unipv.eu/site/home/articolo13110.html](http://www.unipv.eu/site/home/articolo13110.html).

From 22 July to 12.00 on 29 July 2017:

The payment receipt should be uploaded (as a .pdf); the candidate’s bank details (IBAN) should also be provided in case any fees need to be reimbursed.

From 3 August 2017, should places be available, qualifying students who have presented an application will be enrolled. Enrolment will proceed until all available places have been filled. These candidates will be informed that they have been assigned a place via an email sent to the address supplied in the conditional enrolment application. Candidates must regularise their position by the deadline that will subsequently be provided; failing to do so will result in exclusion.

Please note. Once enrolments related to substitutes have been completed, and until 16/11/2017 (with the assignation of all available places), should students already enrolled withdraw, transfer, repent or, should students conditionally enrolled not be awarded a qualification, candidates who presented a conditional application by the deadline of 29 July 2017 may be enrolled, in ranking list order.

9. CONDITIONAL ENROLMENT FOR CANDIDATES AWAITING THE AWARD OF A DEGREE
Students with ‘admitted’ status who have not graduated at the enrolment deadline date will be ‘conditionally enrolled’. Enrolment will become definitive if, by 31 October 2017, the student is awarded the qualification. If the qualification is not awarded, enrolment to the Masters degree will lapse and the enrolment fee will be reimbursed (net of the duty stamp).

10. ADMISSION REQUIREMENTS AND METHODS FOLLOWING TRANSFERS, TRANSFERS FROM OTHER INSTITUTIONS, SECOND DEGREES AND RECOGNITION OF PRIOR LEARNING (possible only from a course of the same level)
Students who request a transfer from another university, enrolment for a second degree or a transfer from another Masters degree must still sit the admission test and pass the selection process, in accordance with the regulations outlined in paragraph 5.

10.1. Students who request a transfer from another University of Pavia Masters course
If the admission test is passed, by 19 July 2017 for direct enrolment or by 29 July 2017 for ‘repecharge’ enrolments, the first instalment of the fees and contributions for the 2017/2018 academic year should be made by using the MAV that can be printed from the RESERVED AREA. A transfer application should then be presented by following the instructions published online at the following link.

10.2. Students requesting enrolment following a transfer from another university
Students must present a pre-evaluation form of their career in the period between 6 and 21 June 2017 (date the application arrives at the University of Pavia and not the postmarked date), in accordance with the methods outlined on the website http://www.unipv.eu/site/home/articolo5998.html, and must sit the admission test. If the test is passed, the student may enrol by following the methods and respecting the deadlines stated in paragraph 7.

Further, as well as the documentation required for enrolment, the student must send, to matricole.ecosociogiuridiche@unipv.it, a certificate issued by the university of origin that attests that a transfer request has been made. In any case, the complete documentation must be received by 31/10/2017. The Arrival Waiver form is available at http://www.unipv.eu/site/home/naviga-per/studenti/immatricolarsi---frequentare---concludere/articolo994.html.

10.3. Students requesting enrolment who already hold a degree or credits from another course of the same level
Students must present, between 6 and 21 June 2017 (the date the application arrives at the University of Pavia and not the postmarked date), a pre-evaluation form of their career in accordance with the methods outlined on the website http://www.unipv.eu/site/home/articolo5998.html. Students must sit the admission test: if the test is passed, the student may enrol by following the methods and respecting the deadlines stated in paragraph 7. The student must also send the dedicated Seconda laurea/richiesta di convalida esami form available online.

If the first degree course, or prior course, was taken at another university, the student must also attach a self-declaration detailing their prior career, the examinations taken, CFUs and SSD. Candidates are advised to use the self-certificate issued in the reserved area of the university of origin, if available.
